

VIRTUAL CHOIR

“Shout for joy to the Lord, all the earth, burst into jubilant song with music..... Let the sea resound..... let the rivers clap their hands..... let the mountains sing together for joy; let them sing before the Lord.” (from Psalm 98)

For those who are missing the communal singing during worship, we are giving you the opportunity to join a ‘virtual choir’ which will enable you to sing your heart out in the safety of your own home.

We are using the original service time of 6.30 pm on Sunday evenings.

Attached is an electronic order of service for **SUNDAY 9th MAY**.

This has also been sent with all the words in the post to those who have not got access to a computer.

Please take this act of worship at your own pace and involve as many people as possible in your household.

I have included the numbers if you have hymn or songbooks (STF = Singing the Faith; HP = Hymns and Psalms; SF = Songs of Fellowship).

Or you can follow the words and music on You Tube. Just click on the blue links or copy and paste into your browser (you may have to click past the ads first). All the songs are in a [list on our You Tube channel](#).

Then adjust the volume and sing along with the rest of our congregation.

Happy singing and worshipping !
